

For over thirty years Marco Bronzini has created lasting artwork displayed in selected exhibitions around the world. As a graduate of the Royal Academy of Arts in London, his work reflects numerous artistic influences covering a vast array of subject matter. **VOLUME ONE, THE FIGURATIVE LANDSCAPE**, is an introduction to the series **BRONZINI MASTER CLASS**, a visually new approach to the art of teaching. Sit back and experience the journey from the first lines on the canvas to the very last strokes.

Marco Bronzini Art School and Studio is located in Naples, Florida
